State Government Grant to Clunes RSL

On Wednesday July 1st, Tony Robinson, MLA Minister for Gaming, Consumer Affairs, Minister Assisting the Premier on Veterans Affairs, visited the Clunes RSL Sub-Branch, to announce a State Government grant of \$102,000. This will be used for essential work on the Sub-Branch building to enable the Sub-Branch members and the Clunes Community to continue to use the building in comfort and safety.

As well as RSL members and their families, the historic building in Fraser Street is home to the Tourello Red Cross, Clunes Cemetery Trust, card players and indoor bowlers. It is used on occasions by the Clunes Museum and other organisations as required. It is also the centre for hospitality on ANZAC Day, Remembrance and other significant days on the RSL calendar. The building also houses a growing collection of memorabilia.

The RSL Devonshire Teas and Sausage Sizzle are an integral part of the Clunes Monthly Market and the Clunes Book Town Weekend. Members were delighted to receive this assistance as part of the State Government's commitment to Sub-Branches that are part of their community.

CNH Welcomes New Co-Ordinator

The Committee of Management of the Clunes Neighbourhood House has appointed a new Coordinator Pam Ridd who commenced recently.

Pam said, "I am looking forward to the exciting developments and opportunities that the Clunes Neighbourhood House is undertaking with the refurbishment and relocation to the old Free Library building. This will provide us with the opportunity to provide a broader range of programs to meet the changing needs of the community and will be a more convenient location which is more accessible to the people of Clunes.

My background is retail and hospitality owning my own businesses followed by 10 years working in adult learning, working as a trainer, before moving into to management roles in a number of different organisations. These organisations covered a range of different areas including trainees, older learners, culturally and linguistically diverse clients and people with disabilities or other significant disadvantage. This has provided me with a wide perspective on the differing needs in the community. I have a passionate belief in life long learning exemplified by my achievement of a degree in Adult Learning and Development after more than 25 years in the workforce.

My interests include textiles including embroidery and cloth doll making and computer based skills in Photoshop, Illustrator and other applications to feed my creative passions.

I am looking forward to working with the Community to make the Neighbourhood house a place which meets a wide variety of needs in the community."

President's Report *From Neil Newitt*

On Monday July 20th, the Clunes Tourist and Development Association (CTDA) held its Annual General Meeting and election of Executive and Management Team for 2009-2010.

As the incoming president, I would like to thank the previous CTDA Management Team for their achievements during the past year, and along with the new committee look forward to the next 12 months.

The CTDA has been representing the Clunes community for close on 30 years. During the last 12 months events such as the Community Dinner, Clunes' Australia Day activities, and Banquet@Bailey have continued to both raise funds and celebrate the local community.

A quick look around Clunes today reveals a flurry of activity. New and expanded businesses have opened this year. Major works are underway in Collins Place. The Clunes Museum, Library, and the Lee Medlyn Complex (bottle museum) have all undergone recent or continuing renovations.

This new work is indicative of the increase in activity in the town in general. The primary school has had a 20% increase in numbers. This year saw families make the move to Clunes from Melbourne and as far as northern West Australia. New home construction and extensions to existing premises are evident throughout the Clunes area. The opening of the Deer Park by-pass now makes it easier to travel to and from Melbourne. Visitor numbers are up.

The continuing success of events like Booktown, and the use of the town as a film and television location has raised Clunes' profile within the greater Victorian community. So it's a good time to feel positive about Clunes and its future.

In the 1800's the gold discovery and subsequent rush to Clunes significantly added to the wealth and prosperity of the state. Clunes is again being discovered. But the rewards today are from the lifestyle afforded by living within a rural community, encompassing traditional industry (such as agriculture), along with tourism and emerging new business opportunities unique to a heritage town. And all within two hours of Victoria's major centres of population.

The 2009-2010 CTDA Executive are:

President: Neil Newitt - Neil Newitt Photography
Vice-President: Jos Konings - The Clunes Greengrocer
Secretary: Judy Burn - Clunes Art and Craft Cottage
Treasurer: Jane Lesock - Mount Beckworth Wines

Management Team:

Ian Baker - Baker Antiques and Collectables
Suzanne Camm - Wesley Collage
Rhonda Fawcett - Glengower Getaway
Ken Gibson - Clunes Newsagent
Dennis Twentyman - Clunes Cabin B&B
Bev Wolfe - local resident

G'day everyone, its that time again.

First of all I would like to thank all the Kids who came along to the Blue Light Disco on the 26th of June. There were about 80 kids who attended and had a great time, with 'Disco Des' spinning the tunes for the night. I have been contacted by a couple of older kids who were enquiring about a Senior Blue Light Disco. I am in discussions with the Ballarat Police, who came along on the night and helped out, trying to organise a disco some time this term for seniors, ie kids aged from 12 – 17.

I have had some reports over the last few months in regards to thefts from un occupied farm properties, both old farmhouses that have been used for storage and thefts from farm sheds. I urge everyone to keep an eye on their properties, report any suspicious activities around the area and if you have had property stolen please let me know.

As an end note I would like to congratulate all the organisers of the Clunes Football Club Ball, which was held last night at the Town Hall. The event was incident free and a credit to all involved, including the patrons who attended, from all reports a great night was had by all.

As I always say I am YOUR local copper and as always I can be contacted on 5345 3211, 0427 683 940 or athol.chaffey@police.vic.gov.au

If you need police attendance for an emergency situation ALWAYS ring 000.

"Clunes" *By Tom Howarth*

Tucked away in a little valley, to a village I was to move
Was a pleasant place I've come to love, it's the township place
called Clunes

With wife & family I settled in thirty odd years ago
Those thirty years have gone too soon, but the happiest I've
known

Clunes is a very pretty place and very friendly too
By moving to this little town there's nothing you would lose
Where they love their sports and social life plus other
activities that are many

The town's going ahead in leaps & bounds, Booktown
being one other towns envy

This town has a future for a good tourist trade
Because of decisions CTDA have made

So I'm glad I left Melbourne town's rat-race
And came to Clunes, what a wonderful place.
